The Washington post commented in 2007 that around 190,000 small arms, including 110,000 AK-47s and 80,000 pistols issued to Iraqi security forces between 2004 and 2005 were missing. This amounts to 30% of the weapons given to assist Iraqi forces in training and in combat.		(stated in 2007) The Pentagon has issued 169,280 AK-47s, 167,789 pistols and 16,398 machine-guns to the 161,000 police in Iraq and 28,000 border police.
